## Missouri Residential Lease Agreement

## THIS IS A LEGAL DOCUMENT. PLEASE REVIEW IT THOROUGHLY PRIOR TO EXECUTION. 1. STANDARD LEASING AGREEMENT INFORMATION:

This section of the Lease Agreement is to inform you of general policies related to your tenancy, and to establish the relationship between you as a tenant and the owner. Conditions for your occupancy are outlined in this Lease Agreement. "Lessee" may be referred to as "Tenant", and "Landlord" may be referred to as "Owner" or "Landlord" and includes its authorized agent throughout this Lease Agreement. You are advised that all conditions of this Lease Agreement are applicable to all members of your household, including any pets. No one may join your household without the prior written consent of management.

This Lease Agreement covers a one-year period from the date of execution, and must be executed prior to the initial date of move-in. Renewals or extensions of this Lease Agreement will also cover a one year period. After the initial term ends, this Agreement will continue for successive terms of one year each unless option III. 8. is selected which would cause it to become a month to month lease, or it is terminated in accordance with the terms of this lease. If the lease is continued after the initial term ends, then the amount of tenant rent will be determined in accordance with a current Form RD 3560-8, Tenant Certification. The terms and conditions of this lease may only be modified in accordance with Section VI. This project was financed by USDA's Rural Development and Rural Development has the right to further verify any information pertinent to this lease agreement.

Eligibility requirements must be determined prior to the effective date of this Lease Agreement. Tenant must complete an Application for Housing, and provide information concerning income, assets, medical, child care, and disabled assistance expenses and all household member information. The tenant understands that rental rates are established on Form RD 3560-8, which is an attachment to this Lease. The tenant agrees to submit to annual recertification of income and eligibility, or as requested. An advance written notice will be issued by the Landlord 75-90 days prior to the annual recertification. The tenant agrees to cooperate with the above process. For tenants receiving HUD Section 8 Assistance, HUD Form 50059 will be completed instead of Form RD 3560-8.

If the tenant's household composition changes and is no longer eligible to remain in the unit per the Occupancy Standard established for this property, tenant must vacate the unit within 30 days of written notification from Landlord, or at the expiration of the Lease, whichever is greater. However, tenant may remain in the unit until a suitable size unit becomes available and the Landlord issues a 30-day written notice to relocate. Tenant agrees to move at tenant's own expense, unless otherwise agreed by Landlord in writing. Any other exceptions concerning temporary continuation of occupancy must be approved by Landlord and Rural Development.

This Lease is available in both English and non-English language as needed.

Rental Payment Changes: Rent rate changes must be approved by Rural Development prior to implementation. You will receive an initial 60- day advance notice before implementation of any rent rate change.

Escalation Provision: If a rent rate change to Basic or Note Rate Rent is approved by Rural Development prior to the expiration of

your lease, due to changes in project operating costs, your net contribution may be adjusted. Your tenant contribution may also be changed prior to the expiration of the lease due to changes in tenant status or failure to properly recertify. Form RD 3560-8, Tenant Certification, will be completed to document the changes in Net Tenant Contribution. The following conditions would not cause a change in the tenant's Net Tenant Contribution: 1) Monetary or non-monetary default of the Owner. 2) Suspension, Cancellation, or Termination of Federal subsidies (Rental Assistance or Interest Credit) paid to the owner or management agent on behalf of the tenant.

3) Prepayment of the Agency loan by the Owner. 4) Foreclosure, liquidation, or acceleration of the Owner's Promissory Note.

Designated Owner Contact: Questions, concerns or changes with your residency should be directed to the following:

(Phone Number)

Maintenance Requests: Requests for maintenance in your unit should be directed to the contact listed below. If no timely response is received (2 weeks), contact the Designated Owner Contact at the above address and phone number.
